From the Principal

The count-down is on for our 150 Year birthday. With only 7 school days until the commencement of our celebrations, I urge you to read through the important information outlined in this newsletter that directly relates to the arrangements for each of the celebration days. This is a very exciting and important part of our school’s history and one that we will celebrate together as a community. I look forward to each of our families being involved.

SEMESTER 1 SCHOOL CAPTAIN LEADERSHIP INDUCTION

On Monday afternoon during our assembly, our Semester 1 School Captains (Hunter, Jacob, Stevie, Ellie) for 2016 were inducted into their roles. The ceremony was attended by many proud parents, school staff and students. I spoke to students about LEADERSHIP being the business of...
everyone. This includes every student in our school, every staff member in our school and every family who forms part of our school community – WE ALL HAVE AN IMPORTANT ROLE TO PLAY IN SUPPORTING EACH OTHER TO BE AND DO OUR BEST – every day. I reminded each of the leaders being inducted that their job was to lead by example, showing the way for their fellow students. We discussed that leadership is not just about wearing a badge, instead it is about supporting fellow students. All leaders signed off on Leadership Agreements, assuring our school community that they will be the best leaders they can be, serving our school community proudly. I look forward to working with our Semester 1 School Captains, supporting them to develop to their full potential as ambassadors of Moggill State School.

SCHOOL INFORMATION MAGNETS
As part of our school’s improvement agenda, we have been seeking feedback regarding how we can improve communication processes between school and home. In order to support the improvement in this area, we have arranged for another batch of school information magnets to be sent home to the eldest children in the family. The magnets have been distributed today. Please contact the school office if you didn’t receive a magnet. A design of the magnet is provided below.

PARENT CAR PARKING
I fully appreciate that our school has limited car parking spaces for parents and visitors. This is something we will endeavour to improve. Please continue to use the car park spaces available for parents and our school community. It is important that staff car parks (behind the hall and near the Administration building) are only used by school staff. This is in the safety interests of our children. Please also access the pedestrian gates near the

All Moggill/Bellbowrie families (anyone who has ever been involved with the school in any way) are invited to come for a special Sunday breakfast at Bellbowrie Tavern. Hot breakfast, fruit, muffins....all you want for $22/adult, $11 for under 12s, with under 5s free. We have also just been told that the Tavern will discount this price by 10% on the day, BUT WE NEED BOOKINGS. Phone the Tavern directly on 3432 9184 by Monday, 8 February. Monday with the rest of the 150 year information. (Also attached below.) Orders must be in by this Friday - 5th Feb - in order for the special food to be ordered & prepared.

Cookbook

A very special souvenir to go on sale during our celebrations will be the "Moggill Cooks" cookbook. A compilation of recipes from the local community, this book will be a wonderful resource for recipes that have stood the test of time. Proceeds from the sale of the cookbook will go towards the tuckshop to upgrade some facilities. So be sure to stop by the Souvenir stall in the hall on Saturday 13th February to purchase your copy - or maybe one to "put away" for your kids.

TUCKSHOP SPECIAL LUNCH
INFO PACK FOR PARENTS

Remember these from your school days?

Good old Cuisenaire rods! If you have any and you would be willing to lend them to us to use on the 150 Years Celebration Day, could you please send them to Margaret Taylor in the Resource Centre. Please name these and they will be returned to you the following week.

Thank you.
Margaret Taylor
From the Deputy Principal

STRANGER DANGER
Please be aware from time to time “unusual” things happen outside of our school grounds. There is no need to panic or be alarmed. But … there is a need to be aware and alert. Please inform your children that if approached by a stranger, they need to move away immediately and if possible try to remember the registration number of the car. A partial number is better than no number at all. Details of the car colour will also be useful. If on the way home, children should report the matter to their parents and if on the way to school, immediately report the matter to the school office.

SAFETY SAFETY SAFETY
Car park safety is important! Please note that we do NOT have a kiss and drop zone. If using our Kangaroo Gully Road car park, please park your vehicle and walk your children to the school gate. This prevents congestion in this area.

GREAT FIRST WEEK
I would like to thank all staff, parents and students for a great first week. Our school has started well and every student has settled into their new classes and commenced their 2016 learning.

PEACE CODE FOCUS
This week our Peace Code focus is Care for Myself and Others. Teachers are currently exploring this concept in relation to our four school rules. Please remind your children of the importance of this concept in your home conversations.

REMINDER PLEASE DO NOT USE ADMIN CAR PARK
Please be aware that the admin car park is for staff parking and delivery vehicles only. Please do not use this as a pedestrian entry point. Also – this is NOT a drop off zone during school days. Please use street parking or the Kangaroo Gully Road car park. This is another safety consideration.

BE AT SCHOOL ON TIME
This year a key focus will be achieving both a high attendance rate and for every student to be at school ready to start learning at 8:55 am. Posters around the school highlight the point that if a student is ten minutes late every day over 13 years of schooling, then up to half a year of valuable learning is lost. If a student misses one day per fortnight over 13 years of education, then 1.5 years of learning is lost – never to be regained. Please look at these posters on your next visit.

PERFECT ATTENDANCE
We are running our 2015 Term IV highly successful 98% or better attendance competition again. A letter will go home shortly explaining the details of this initiative.

COLONIAL DRESS FOR FRIDAY, 12 FEBRUARY
Friday, 12 February is our 150 birthday. Over the week end of 12 February to 14 February a large number of celebratory activities will be conducted both at Moggill State School and off-campus. Information flyers have been forwarded
to families. On Friday, 12 February we will have a free dress day, but it is designed to allow students to dress in colonial type outfits. For more information google “colonial Australian clothing” (see below). Safe shoes are necessary.

All the best for week two

Mr Paul Niner
Deputy Principal

**Important Information**

We currently have students enrolled in our school who have a life threatening allergy to peanut and nut products - traces of which can be found in many foods. Contact with even very small amounts of these foods can cause a severe allergic reaction.

We can all assist in managing hazards for these children in a number of ways:

- Be mindful of foods that you send in to school-wherever possible, refraining from sending foods that contain peanuts (eg, peanut butter and muesli bars containing nuts or whole nuts).
- Discuss with teachers in advance of sending foods to school to celebrate birthdays.
- Clearly label your child’s drink bottles and lunch boxes.

Within the school there are additional strategies that we will put in place including no sharing of food, food utensils and food containers. Where cooking programs occur, alternatives to peanut products including peanut based oil will be used. Further promotion of hand washing before and after eating as well as washing tables and benches will occur.

We thank you in advance for your assistance with this important matter.

**BEGINNER CHOIR**

Welcome back to a new year at Moggill State School. I am looking forward
to setting up and working with a new group of enthusiastic Year 1 students for our Beginner Choir this year. If your child enjoys singing and is keen to be a part of this choir, we would like them to come along to our very first Beginner Choir rehearsal on Friday 5th February at 8:15am in the music room. Choir rehearsals will run on a weekly basis each Friday morning throughout the year. We are keen to have as many children as possible present on Friday, as we will be learning to sing the chorus of the song “Hearts In Harmony” which will be sung at the 150 Year Celebration, on Saturday 13th February. This will be a combined performance of the Senior Choir, Junior Choir and Beginner Choir. As this performance is so early in the year, I am leaving it as an optional performance for the children in the Beginner Choir. Further information on times will follow. If your child is interested in performing at this event, could you please make sure that they have a Christmas Star T-shirt to wear on the day. Please contact me if you don’t have one of these and I will organize one for your child. Beginner choir members will be required to bring along an A4 plastic folder to store any song lyrics. These can be taken home after each choir rehearsal and used to practise during the week to help with learning of lyrics.

STRINGS NEWS
Welcome to 2016! What an exciting time we have ahead of us this year!

SENIOR STRINGS
ALL Year 5 & 6 students are now part of Senior Strings. A note and a copy of the ensemble music went home with all of these students earlier this week.

ENSEMBLE AND LESSONS will resume this Monday February 8th. Please carefully read the note that came home as it has all of the information needed to begin on this day. On time attendance at ensemble rehearsal is extremely important!! Both lessons and ensemble will be held in the MEDIA ROOM this year.

Some date claimers were also listed on this note: SUNDAY 28 FEBRUARY,
FRIDAY 3 JUNE (Fanfare) and FRIDAY 17 JUNE (Concert). Please put these dates into your diary now.

SUNDAY FEBRUARY 28th is our Moggill Music Mania Workshop Day. In the past, we have had this day during school hours generally in Term 3. Ms Conomos and myself have decided on a change this year for a few important reasons. Firstly, we get the whole school to ourselves and we will have ample room for everyone to have an air-conditioned classroom in which to work. Another positive is that they will not miss class time and another positive is that we are able to employ other Education Queensland Instrumental teachers on this day as they are not working at their usual schools. With such a change, we hope the above reasons make it clear as to why we have asked for a variation this year!

JUNIOR STRINGS
All Year 4 students are now part of Junior Strings. A note went home with all of these students earlier this week. These students have a lesson on tomorrow however it is simply an information lesson (no instruments required). Regular lessons and ensemble will resume the following week (February 11th). Please have instruments and music books/folders ready for this day. A copy of the timetable can be found on the Media room door and on the Music noticeboard.

BEGINNER STRINGS
All Year 3 students have received a note home with their timetable attached. These students also have a lesson tomorrow and they are asked to bring their instrument and music with them. If you do not have any of the equipment yet, please have your child bring with them what they have. All equipment will be required for their first official lesson on February 11th. A copy of the timetable can be found on the Media room door and on the Music noticeboard.

Thanks.
Sandra Randall
Strings Teacher

SENIOR CHOIR
Senior Choir rehearsals have begun for the year. All year 4, 5, and 6 students are welcome to join. We rehearse on Wednesdays at 7.30 in the music room. Our first performance is in just over a week! Please note the date in your diary: Saturday 13th February, meeting at 12 o’clock in the school hall.

SCHOOL DOCUMENTARY
The students and I are making a documentary about Moggill State School. If you are a past student or staff member and would be happy to be briefly interviewed for our film could you please contact the classroom teacher of your child. Teachers have a form to write down your contact details.

SWIMMING TRIALS FOR DISTRICT CARNIVAL

Next Saturday, 6 February we will be conducting the final selection trials for the school swimming team to compete at the West Akuna District Carnival. These trials will be held at the Bellbowrie Pool starting at 1.00pm. There will be an entry fee to the pool and parents are responsible for paying this at the pool entrance. The trials will be for 50 m and above only.

Parents also need to remember they will be responsible for the supervision of their children at the pool and must be in attendance for the trials.

Please refer to the letter sent home to students this week for more information.

Thank you.

SCHOLASTIC BOOK CLUB

The best gift any parent can give a child is the love of good books and the joy and benefits of good reading. Children who read at home, or are read to, have a head start on reading success in school. Our school is participating in Scholastic Book Clubs this year. You’ll find award-winning books, as well as old and new favourites. The books span a wide range of children’s reading levels and interests and they are great value (some books cost as little as $2)

Issue 1 Book Club catalogues will be sent home this week.
Orders will close the next week on Friday 12/2

Thank you for using our preferred payment option – LOOP – Linked Online Ordering and Payment available on www.scholastic.com.au/LOOP or download the LOOP Apple or Android app.

Pathways to Peace
Pathways to Peace Program at MSS
Pathways to Peace® is a long-term, community based prevention program that actively encourages parents and the wider community to work with the school to reduce and prevent violence in all its forms.

Thanks to the vision and courage of Mr. Marsh and his staff, Moggill State School is 18 months into a long term plan to change the culture. By creating a safe, peaceful environment; by teaching, supporting and encouraging children to behave peacefully; by modelling appropriate behaviours; by involving parents and care-givers and the wider community in the process; and by continually asserting that no form of violence is acceptable, Moggill State School is actively working to create a peaceful culture.

Enrichment Program

Enrichment Program Update
We're back into the swing of things and already there are some great opportunities on the 2016 horizon for our students.

Nominations for Creative Generation (CGen) have all been submitted. We have a keen group of over 20 children participating, so I'm sure we're going to have a fantastic time. For massed dance students, nothing is going to happen until the first rehearsal on Sunday 17 April (more info closer to the date). Massed choir students will start rehearsing in mid March (again, more info when I have it!). Students who submitted auditions for featured vocal roles should have more information in the next couple of weeks. Students wishing to audition for featured dance roles (and submitted this nomination) should keep Saturday 19 March free. I hope some of you were able to watch the televised program during the holidays. If not, I notice much of it is now available on Youtube, if you'd like to take a look and see some more of what CGen is all about.

The Queensland Academies are offering a range of opportunities for our senior students this term, including online courses and an Innovative Thinking workshop. I'll be advising eligible students of these programs shortly. For interested families, the Qld Academies will also be holding their Open Day on Friday evening, February 26th. If you'd like to have a look at the Toowong Campus and talk to the school about what they offer their students, this will be a great night to explore. More information is available HERE.

Moggill Thinkers Challenge will be back in the next few weeks and I look forward to seeing some more clever and creative entries for these monthly challenges.

Junior Engineers and Junior Science Explorers will be running their after-school programs again this term. See below for more information regarding days and times, costs and contact details.
Junior Science Explorer is back this term with heaps of fun experiments!!
We are starting Feb 2016 on Fridays @ Moggill State School (open to all!)

Do you know how are words sent through telephone wires or even wirelessly?
Do you know why the deeper you dive into the swimming pool, the greater pressure?
Discover the use of natural food colours as an Acid-Base Indicator.....

Starting Feb 2016 on Saturdays for 3 hours, Mind Gym is specifically catered for higher level students. It is a structured Maths and Science enrichment program that is carried out in accordance with the Australian curriculum.

Welcome to Moggill State School. I trust that your time at our school will be filled with many great memories and that you will feel connected to the amazing school community. Prior to my role as the School Chaplain in April 2015, I have been a parent at MSS for many years! It is a great school community.

On the first Friday of each month (this FRIDAY – 5th Feb) we will be having a morning tea in the hall after school drop off. This is a chance for parents to meet other parents in the schooling community and aims to provide our parents with a network of support. Younger children are welcome. I look forward to connecting with parents and carers on Friday.

During the end of last year the Chaplaincy Program and the 2015 Student Council partnered with QWCA, Moggill ran a project called KITS FOR KIDS collecting new and used stationery for communities in Papua New Guinea, Fiji and Solomon Islands. The stationery kits are sent to remote areas of these countries where supplies and access are very limited, providing much needed learning resources for teachers and children. Queensland Country Women’s Association (QCWA) volunteers co-ordinate the collection process/packaging and Rotary International carry out the logistics of shipping and getting the packages to where they are needed most.

We are asking for your kind donations of the following stationery items, new or used (but still in good condition):

- A4 photocopier boxes (forms the basis of every kit)
- A4 reams of paper (any type)
- Sheets A4 cardboard (all colours)
- Child’s craft scissors
- Small pieces of card from left over projects
  - Erasers
- Sharpeners
- Pens
- Sticks of chalk
- Soft lead pencils
- Colour crayons and felt pens
- Wooden rulers (no plastic please)
- Clag glue paste
- Small bulldog clips
- Pencil cases (all sizes)
- Student exercise books with only a few pages used (please tear out used pages)

Drop off zone – Moggill State School library (at the door of the Chappy room)

If you would like to be involved in the packaging of these kits at the end of February please contact:
Sheen Van Breda M: 04381 35681 or Christine King: email – christinelking@gmail.com

My working days are Thursday and Friday, 8.00am – 3.30pm. I can be contacted via the school office or on email – nicolad@chappy.org.au. Please
do not hesitate to contact me should you have any concerns which I may be to assist you with.

ACT FOR KIDS

Many of you helped Act For Kids last year by sending out information about our Platinum Lottery. Thank you so much. We were able to help more kids than ever before last year and we now have opened services in South Australia and NSW as well as our 18 sites in Qld. This year we will begin work in WA, VIC and Tassie. Sadly there is a lot of need for our work.

As you know all our services to abused kids are provided free of charge. All my speaking and consultancy fees go to support our work with abused kids (in excess of 1.6 million dollars in the last 6 years)

If you would forward the following email to your school communities I would be very appreciative. If you are able to assist sending this out please drop me a quick note as I would like to thank you personally.

By the way the odds are very good as we only have about 2500 buyers and four people have won it twice!

I trust you have a great 2016!

Thanks.
