"Notice for Change of Program"

Whilst we endeavour to make every effort to provide students with programmed planned experiences, sometimes we are met with unforeseen circumstances beyond our control. In cases where circumstances prevent the planned program from proceeding e.g., COVID-19, the Service reserves the right to change the activity and provide an alternative program that we believe would still provide the children with a fun and safe experience.

Please note that all program changes will be communicated via XPLOR, Moggill OSHC Community Facebook page or face to face communication with OSHC staff.
